Dear neighbour,

I am writing to let you know that we will be carrying out repairs to the bridge on Buckingham Road, Winslow. Due to the age and condition of the Buckingham Road bridge, the structure needs to be upgraded to modern standards to ensure it is safe for road and rail users once the new East West Rail line opens.

To ensure the safety of the public and our workforce whilst we carry out these works, we will need to close the footpaths on the north and south of the structure. To minimise disruption on the local community, we will be closing the footpaths in two phases. One footpath will remain open for the public to use whilst the team are working on the other. This is being timed to align with school holidays, as the south/west footpath is used extensively by school children.

The south/west footpath will be closed from **Monday 25<sup>th</sup> July 2022 to Tuesday 9<sup>th</sup> August 2022**. The north/east footpath will then be closed from **Tuesday 9<sup>th</sup> August 2022 to Wednesday 31<sup>st</sup> August 2022**.

The maps below show the two phases in which we will be closing the footpaths. 2-way vehicular access to Buckingham Road will be maintained to residents, businesses, and properties at all times during these works.

Phase 1 on the south/west footpath: **25/07/ 22** - **09/08/22**

Phase 2 on the north/east footpath:
