East West Rail Night Works Winslow

If you have any questions or concerns,
please email:

publicinformation@ewralliance.co.uk

or call **24 hr helpline** on: **03457 11 41 41**

Dear Neighbour,

We continue to work on the railway line near you as part of the East West Rail project. We are expecting rail to be delivered to site, via train, where our team will proceed to off-load the rails. **Unfortunately, due to the impact of past and planned industrial action we have to accept some rail materials being delivered in slots outside of our normal operating hours.** This will occur between Furze Lane and Little Horwood Road.

We have had very recent confirmation that these works now have to be carried out during the periods:

- **Friday 3rd March** between **10pm** and **6am**
- **Sunday 12th March** between **9am** to **5pm**

Unfortunately these works will have noisy elements, however, we will do our best to keep any disruption to a minimum. Please note that the train driver may have to use their horn to provide safety warnings to operatives who are on or near the tracks. This will be kept to a minimum.

We apologise for the lateness of this notification and any inconvenience caused by these works.

Working for you
